Kent School District Congratulates Kent Community Foundation For Winning Education Service Award

Kent School District congratulates the Kent Community Foundation for receiving the Education Service Award at the Kent Chamber of Commerce Gala on April 30.

Kent Community Foundation is celebrating its 25th year of supporting the community and education. Kent Community Foundation is a strong supporter of Kent School District and each year several graduating seniors higher education plans have benefitted from the foundation's financial generosity. The foundation has also given many grants to support education programs from newspapers in the classrooms, poetry slams, musical instruments, and Future Business Leaders of America.

"It is very humbling to be so recognized. Congratulations to all for their efforts in allowing us to receive this honor," said Jim McGinnis of the Kent Community Foundation.

"The Kent School District family is very proud that our partner, Kent Community Foundation, received this award for their truly outstanding work every year, doing so much to help and support our students achieve success," said Superintendent Dr. Edward Lee Vargas.

The other nominees for the award were Kentlake Principal Dr. Joe Potts, Kirk Davis of Green River Community College, and the Kent Station Family Shopping Center.

Dr. Vargas added, "We also want to congratulate all the nominees for their exceptional service to education in our community."
